

Para-Case Group Work

- 15 min - discuss the case presentation/artifacts: *what are key social and/or material actors in each case - list them (post-its)*
- 15 min - discuss at least *one key situation* where these actors act/relate: *map their relations - post-its on paper*
- 30 min - discuss and *map one relational situation* as "parasitic relation" (where does difference emerge ("thirdness" / the most powerful position downstream) - define your "participatory interference" based on your discussion
- 45 min - Presentations (10 minute per group) of your "participatory interference"
